

5/9/15

Dear students,

I want to express my gratitude to you for hosting us at your school and in your town last Wednesday. I was so impressed with your seriousness and your willingness to take on this project of finding out more about the Jewish history and memory in Krasnosielc.

It was a special experience for me to meet you all, talk to you in English, hear about your families, your hobbies, your ideal vacation and then have you be our tour guides through Krasnosielc.

May you continue to study throughout your lives, learning more about yourselves and others and making our world a better and more peaceful place.

With much appreciation,

Janina Kahn-Horwitz
